Underwater Photo Specialty – Saturday, January 21, 2023 – 9:00am

Who Should Take This Class?

Learn everything you need to know to be a successful underwater photographer! Digital Underwater Photography will teach you the proper photography techniques to get better results and teach you how to optimize your camera system with valuable accessories. If you want to improve your underwater photography skills and bring home better photos, this class is for you!

Class Description:

The underwater photography course will help take the blues out of your pictures and your dive trips. Learn how to take quality underwater photographs. Bring home clear crisp photos with vibrant colors from your next dive vacation. This course will provide the diver with the skills and knowledge to enjoy underwater photography while minimizing the risks of such activities.

Prerequisite:

You must be at least 10 years old.

Where:

The classroom session & training dives will be held at Mermet Springs.

What Do I Need to Bring:

Bring your current, completed medical. **If you have any 'yes' answers, you must have a physician sign-off that you are cleared to dive.** *Rental equipment and air fills are not included for this specialty-training course.* Bring your underwater camera, fully charged batteries, and filters you plan to use. Also bring your laptop, Ipad, or tablet to view your photos.

Training Materials:

Upon making a deposit for this program, you will have access to your digital training program on your MYSSI App or when you log in at www.divessi.com. You must pass all quizzes before you arrive for class. We will track your progress and print your diploma as proof of completion before you arrive. There will be a multiple-choice exam at the end of the classroom portion. **You must pass the final exam with a score of 80% or higher.**

Training Dives:

This is a pool/confined water specialty. However, 2 open water training dives can be added for certification. Water skills may be completed in a pool during cold/inclement weather.

Class Fees:

Total cost for the class is \$150.00

- \$100 includes your instruction, instructor fees, & entry into our facility.
- \$50 pays for your digital home study program, certification fees, your digital certification card, certification card, and diploma

To Sign-Up:

Purchase your training materials & make a \$50 deposit to hold your place in class.

Note: There will be a \$50 rescheduling fee for anyone canceling a class with less than a 7-day notice.
