Equipment Maintenance Specialty – Saturday, February 25, 2023 - 9:00am

Who Should Take This Class?

This class is designed for individuals who want to protect their equipment investment and learn how to make minor repairs on their own Total Diving System.

Class Description:

Diving is more fun and more comfortable in your own equipment. The Equipment Maintenance course teaches you how to choose the right equipment for your needs, and can be completed in 1 day. You will learn how to fit, adjust, maintain and make small repairs right on the spot.

Prerequisite:

You must be at least 10 years old.

Where:

The classroom session and hands on equipment review will be at Mermet Springs.

What Do I Need to Bring:

Bring your Total Diving System to inspect it with your instructor. This will also give you the opportunity to ask any specific questions you may have about its operation or performance.

Training Materials:

Upon making a deposit for this program, you will have access to your digital training program on your MYSSI App or when you log in at www.divessi.com. You must pass all quizzes before you arrive for class. We will track your progress and print your diploma as proof of completion before you arrive. There will be a multiple-choice exam at the end of the classroom portion. **You must pass the final exam with a score of 80% or higher.**

Training Dives:

This is a diving knowledge specialty course and there are no required training dives.

Class Fees:

Total cost for the class is \$150.00

- \$100 includes your instruction, instructor fees, & entry into our facility.
- \$50 pays for your digital home study program, certification fees, your digital certification card, certification card, and diploma

To Sign-Up:

Purchase your training materials & make a \$50 deposit to hold your place in class.

Note: There will be a \$50 rescheduling fee for anyone canceling a class with less than a 7-day notice.
