Sunday, November 5, 2023 - (9:00AM - 6:00PM)

Who Should Take This Class?

Are you interested in becoming a Dive Professional, or would simply like to learn more about the physics and physiology of diving? If so, this is the perfect class for you.

Class Description:

Science of Diving is a 2-day class. The SSI Training Class addresses all the areas of diving knowledge in a detailed and comprehensive manner: Physics, Physiology, Decompression Theory, Aquatic Environment, and Diving Equipment. If you are simply interested in diving or plan to become a Dive Professional - the Science of Diving program is what you need!

Prerequisite:

You must be at least 10 years old.

Where:

The classroom sessions will be held at Mermet Springs.

What Do I Need to Bring:

You will need a calculator, your digital dive tables, and a writing notepad.

Training Materials:

Upon making a deposit for this program, you will have access to your digital training program on your MYSSI App or when you log in at www.divessi.com. You must pass all quizzes before you arrive for class. We will track your progress and print your diploma as proof of completion before you arrive. There will be a multiple-choice exam at the end of the classroom portion. **You must pass the final exam with a score of 80% or higher.**

Training Dives:

This is a diving knowledge specialty program and no training dives are required.

Class Fees:

Total cost for the class is \$279.00:

- \$229 includes your instruction, instructor fees, & entry into our facility.
- \$50 pays for your digital home study program, certification fees, your digital certification card, certification card, and diploma

To Sign-Up:

Purchase your training materials & make a \$100 deposit to hold your place in class.

Note: There will be a \$50 rescheduling fee for anyone canceling a class with less than a 7-day notice.
